

## Job Test - A vocational test using the Job Guide

### **Job Test booklet**

Job Test has been designed as a simple tool to assist people to explore and examine career options

Job Test is used in conjunction with the Job Guide and has been extensively trailed and validated.

Job Test identifies interests and matches these with occupations classified in interest categories.

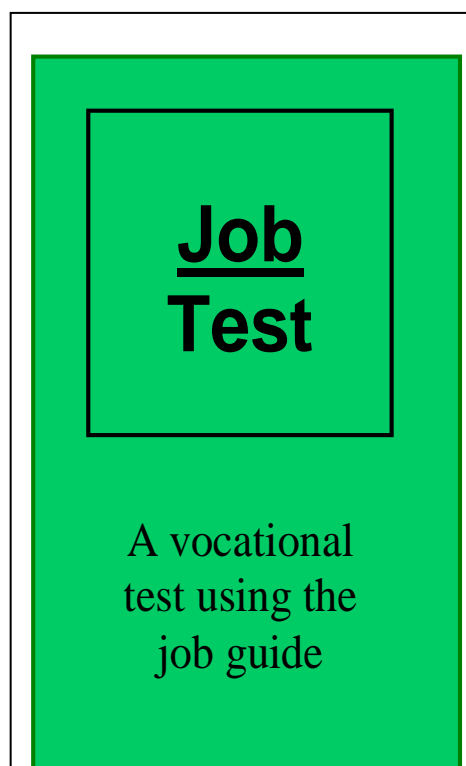

The booklet is used in conjunction with the latest Job Guide.

An instruction manual is available for teachers/career advisors to explain how best to use the Job Test.

The Job Test is suitable for use with:

- Students
- Unemployed and;
- People wanting a career change.

Cost \$3.30 per booklet and \$14.95 for the Instruction Book.
